Sl. 5. From The ARP Officer Bangalore
ARP. 798/4245 dt 26th March 43 requesting that the Control of Sounds order may be suitably amended so as to exclude the Factory Hooters in use in all the military authorities

The Control of Sounds order is in force in 4 places in the State. Subsequently a slight Relaxation was made to the original order in respect of the Mills in Blore and the Mining Cos of KGF. The ARP officer, in his previous letter considered that an amendment to the order is necessary in the circumstances explained and that a relaxation of the Notification will suffice. In the present letter he wants the order to be suitably amended. If the order is amended, it will be applicable to all the factories in the 4 places where the order is now in force. Hence for orders whether the order need be amended or the Notification in respect of factories in Bangalore may be relaxed.

The Factory Hooters in the Bangalore City may be exempted for the present under clause (4) of the order, subject to the condition that the restriction may be reimposed any time.
